LIQUID CATHARTIC,

Pleasant Fassily Physic.

A Sent to the taste, unexcelled in its and apport the Liver, Stomach, and general system. As an antibilious and alterative physic, this medicine

HAS NO EQUAL IN THE WORLD.

I have used it constantly in my practice for upwards of ten years in all cases where a good physic and alterative was required, and would not now do without it. It is the Physician's Assistant, as well as the safest family medicine in use. Children drink it with pleasure. It will not ususeate the weakest stomach. It produces no griping, but operates easily, thoroughly, and is sure to cradicate all impurities from the system if it is properly taken. Already thousands of living witnesses are ready to testify to its superior virtues, independent of its purgative and anti-bilious qualities. It has cured the worst cases of Erysipelas in a few days. It is a never-failing cure for Headache, Liver Complaint, Jaundice, Kidney Complaint, Bilious Fever, Pains in the Side, Back, Breast, and Limbs, Colds, Cramps, Worms, Lumbago, Blotches on the Skin, Pimples, Cutaneous Eruptions, Obstructions in the System, Constipation of the Bowels, Dizziness, Mercurial Diseases, Pleurisy, Female Irregularities, Bowel Complaints, Ulcers of all kinds, &c. It cleanses by its superior medicinal virtues, the ulcerous humor from the blood and corrupt bile from the stomach, carrying it off through the natural channels; it invigorates the blood and caves the system healthy. I sak my friends to test the above medicine, and pronounce a verdict as they shall be impressed by the evidence. Those who know me professionally will not doubt its worth.

Since its first introduction, no medicine has attained such wonderful popularity, and its sales have increased beyond the most sanguine hopes of its friends. Neighbors recommend it as a safe, and unequalled physic! Physicians carry it with them. Children will take no other after one trial, and parents should use no other in their familes. The constitution always suffers more or less when any of the secretions or discharges, established by the laws of nature, are arrested or retarded; but from none does more evil arise than from obstruction, or suppression of the menses. This is sure in time to oring on a train of complicated and obstinate discipaces, such as pains in the head, back, loins, and abdomen; determination of blood to the head, and consequent dizziness, cold extremities, but especially cold feet; loss of appetite, costiveness, and general debility; Cough, Palpitation of the Heart, Hectic Freer, and Consumption. The re-establishment of the Catamental evacuation, whenever checked or supended, is indispensable to health, and the continuates of life.

DR. BROTHERS' DIAPHORETIC POWDERS.

These Powders form a very valuable Anodyne, Diaphoretic and Sudorific compound. They are beneficially administered in Fever, St. Anthony's Fire, or Erysipelas, Diarrhosa, Dysentery, Cholera Morbus; and in all cases where an anodyne, combined with a sudorific, is required. In these diseases, it should be administered in small doses. It is also applicable to many other diseases, such as rheumatism and gout, colic, and griping pains, &c. It promotes perspiration without increasing the heat of the body, and produces a constant moisture of the skin for a great length of time, while it allays irritation and gives rest. 50 cents.

This Syrup has been proved in thousands of cases to be an unequalled remedy for Scrofula, Salt-Rheum, Mercurial, Syphilitic or Venereal, and Eruptive diseases; for Jaundice, Erysipelas, Boils, Ulcers, Rheumatism, Gout, Cutaneous Affections, or Diseases of the Skin, as Blotches, Pimples, or Pustules, and all Itching Eruptions, &c. The design of this Syrup is to re-establish the healthy functions of the system, without producing any very sensible evacuation; not being intended to act particularly upon the bowels but directly, and with the greatest effect, upon the Blood

I have tried every preparation used by modern Physicians, with the most distinguished and celebrated patent nostrums, now so highly extolled; as the various Panasceas, Sarsaparilla Syrups, Balsams, and Extracts; and, after repeated trials for years, in different forms of discase, I have found that this Syrup, beyond all comparison, far exceeds them all. In Chronic Inflammation of the Liver White Swelling, Necrosis, or Fever Seres, Rickets, Pistula, and King Sevil, in short, in every taint of the system or blood, from whatever cause it may arise, or however long standing, this medicine wilk be a pre-eminently superior article, and of the highest value in all cases for which it is recommended. DR. BROTHERS'

Compound Ulwres Powders, for Poultices.

This Powder made into Poultices is the most efficacious of any of the various kinds recommended, and among all the different kinds used, I know of none which is equal to this for all inflammations, whether of the eyes, face, limbs, or other parts of the bedy—for Burns, Ulcers, Sore and Inflamed Breasts, Erysipelas or St. Anthony's Firs, Piles, White Swellings, King's Evil, or Scrofulous and Few Sores, and Cuts, Inflamed Wounds, Carbuncles, &c. It rapidly diminishes pain, heat, swelling, and where there is any gathering of purulent matter, it promotes a free and easy suppuration. A better article of the kind is not to be found. Price 50 cents.

DR. BROTHERS' RHEUMATIC PILLS.

These Pills are very efficacious in every case of Rheumatism, whether acute or chronic; and I am satisfied, from my own observation of their great efficacy in the worst and most obstinate cases, that they are not surpassed, if they are indeed equalled, by any other pills of the kind in existence; they attenuate viscid humors, remove obstructions, regulate the system, purify the blood, and thus cure the complaint. The Rheumatic Liquid used with the Pills, to bathe the parts affected, will very much facilitate the cure. When the case is very obstinate, and does not yield readily to the above medicines, a Syrup made from the Alterative Powder, (which can be obtained at the same place with the Pills and Rheumatic Liquid,) muct be taken according to directions accompanying it; but in most instances the Pills alone, or the Pills and Liquid, will remove the complaint in a short time. Price 50 cents.

DR. BROTHERS' PILE ELECTUARY.

This preparation has been found on invaluable remedy fyr the Hemorrhoids, or Piles. It is given internally, to correct a faulty state of the billary or digestive organs, which produces costiveness, or a derangement of the bowels, and consequently the Piles.

digestive organs, which produces costiveness, or a derangement of the bowels, and consequently the Piles.

Most of the remedies now in use for this dangerous and painful affection, are directed to be applied externally; they do not remove the cause of the complaint, and can therefore afford only temporary relief. Again, the disease is often beyond the reach o aid from external applications, an objection to which this remedy is not liable, it being taken internally. It is perfectly safe, pleasant to take, mild and easy in its operation, and affords immediate relief.

It is equally efficacious in curing both the Blind and Bleeding Piles. If the bowels are left costive after the use of this medicine, a little physic may be taken to regulate them. Having been trying the All Healing Ointment in some very bad cases of Piles, I hesitate not to assure the afflicted that it is a very valuable medicine, and an inestimable auxiliary to the Electuary. I consider it the best external application, I have ever known. The Electuary is an internal remedy, and the Ointment as an external application, used in connexion, I doubt not would be effectual in the most obstinate cases, and must surpass in all instances any other remedies for Piles to be found. DR. BROTHERS' NEUTRALIZING MIXTURE, For Diarrham, Choicea Morbus, and Summer Complaints of Children.

This Medicine possesses the power, in a very remarkable manner, of neutralizing the acidity of the Stomach, or removing the morbid or acrid secretions of the Liver, which are the exciting causes of bowel complaints in general. It allays sickness of the stomach, removes the pain, causes healthy evacuations from the bowels, at the same time acts as a gentic astringent. Hence it will be found a very superior and valuable remedy, in both acute and chronic diseases of the bowels, in Diarrhem, Dysentery, Cholera Morbus, and Summer Complaints of Children. In all these complaints the liver is usually more or less affected, the stomach in an irritable, and the bowels in an inflamed condition. This medicine is most effectual in relieving all these organs, restoring their tone and natural functions. Among all the numerous remedies for these diseases, some of which are strongly recommended, this has proved itself, in every instance, to be the best, the surest, safest, and most effective of all. I do not think its equal can be found for children when teething, or as a remedy for bowel complaints. Price 50 cents.

Organic Weakness,

This dreadful disease is the pensity most frequently paid by those who have become the victims of improper indulgencies. Young persons are too apt to commit excesses, not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny that the power of procreation is lost soener by those falling into improper habits than by the prudent. Besides being deprived the pleasure of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes deranged, the physical and mental powers weakened, nervous debility, dyspepsia, palpitation of the heart, indigestion, a wasting of the frame, cough, symptoms of consumption, &c.

Thousands of the most nervous and debintated, who had lost all hope, have been immediately relieved. All impediments to Marriage, Physical, or Mental Disqualification, Nervous Irritability, Trembling; and Weakness, or Exhaustion of the most learful kind, speedily cured by Dr. Johnston.

Young Men.

Who have injured themselves by a coriain practice indulged in when alone—a habit free—antly learned from cril companions, or at school, are effects of which are nightly felt, even when asleep, and it not cured, renders marriage impossible, and descroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, and the darling of his parents, should be snatched from all prospects and enjoyments on me, by the consequences of deviating from the pass of nature, and indulging in a certain secret habit. Fuch persons, before contemplating.

Should reflect that a sound mind and body are the most necessary requisites to promote connubial happinesa. Indeed, without these, the journey through life becomes a weary pilgrimage; the prospect hourly darkens to the view; the mind becomes shadowed with despair, and filled with the melancholy reflection, that the happiness of another becomes blighted with our own.

TESTIMONY PROM NORTH CAROLINA.

Certificate of Dr. W. Smith, of Pine Hill, Rich mond County, North Carolina.

PINS HILL, March 4, 1854.

DEAR SIR: I have been a subject of Dyspepsia, in its worst form, for the last five years. Such was my condition for twelve months that the physicians and all who saw me said I must die. While in this condition, I was carried to the watering places in Virginia, Tennessee, and North Carolina, but was not benefited by any water to which I was taken. While on my way home, I stopped a week at Buthertordton, a small village in North Carelina, to try the effect of some Chalybeate water in that place. About the last of the week I went into a drug store to get some medicine for my child and myself. There were several of the village physicians in the store, and one of them seemed to take some interest in my case, and, after asking me some questions, said he had been a dyspeptic, and had been greatly benefited by the use of "Hoofland's German Bitters," prepared by yeu, and he insisted that I would try the Bitters. He also called the next day at my room, and insisted so much that I would try them that I saked him to get me one bottle. He did it, and I commenced taking it as directed, and I was more benefited by it than all the water and medicine I had over taken.

After reaching home, one of my neighbors came to me for a prescription and medicine, (he a dyspeptic,) and I gave him nearly all the Bitters I had left, which effected much good in his case. He has often called on me for more of the same kind of medicine, saying he was more benefited by it than any other he had taken, but I have not been able to get any more for him or myself since. Will you, therefore, please ship me a doze or more as soon as possible.

Respectfully, yours,

Dr. C. M. Jacsson, Philadelphia.

D. R. Hooker, Roger's Store, Wake county, North Carolina, October 24, 1868, says:

"Having experienced very great benefit from the use of Hoofand's German Bitters, in Chronic Dysentery and Functional Derangement of the Liver, and its concomitant evils, I am desirous of obtaining a quantity of it for the benefit of my community. You will, therefore, please send a lot, &c."

This Stove is made very heavy, and is a good substantial article; I have made them extra heavy in all the parts where long experience has proved it to be important, and I can assure my customers that I have spared neither pains for expense in getting it up; and it will not be excelled by any stove now known of a similar character; I am convinced that it will at once become a standard Stove.
